FROM THE COUNTRY HEAD'S DESK

As the professional landscape evolves, one thing remains constant—those who adapt, are destined to lead. At Richmond Institute, we are continuously creating opportunities that connect learning with real-world exposure. Recently, Richmond Institute took Initiatives and arranged a fantastic event, Career Grid. This event was designed to give our students clarity, confidence, and a competitive edge. By the end of the event, the participants learnt that, for success it is not just about education; it's about preparation for what lies ahead in professional life.

EDITOR'S NOTE

If there's one word to define this month, it's **momentum**.

From classrooms to creative sets, Richmond Institute has been buzzing with energy. What makes it exciting is not just the big plans, but the small, consistent efforts happening every day. You'll notice a shift—not just in what we do, but how we do it.

And trust me, this is just the beginning.

Monthly Highlights

Career Grid 2026:

Successfully hosted on May 12 2026 to help students explore future career options, connect with opportunities, and gain practical insight into industry-focused learning.

GCWUF Stall Setup Buzzing with Energy:

On 13th May 2026, a stall was set up at GCWUF, attracting enthusiastic students eager to explore skill-based, career-focused, and future-ready learning opportunities after their exams.

NAVTC Final Assessments:

After three months of training, students appeared in final assessments on May 14 2026 to demonstrate their skills and professional readiness.

What's Happening at Richmond?

CEO On Campus – The moment the news dropped, everyone was in high spirits. Performance surged and commitment deepened across the board. And honestly? We may even witness a few well-deserved celebrations along the way.

Behind the Scenes Reality Check – One of our IELTS students recently stepped into the world of video production with full excitement... only to land a "slosh" role on set. Not the spotlight he imagined—but an unforgettable learning experience.

A Sweet Surprise from English Language Students – English Language students celebrated a pre-birthday surprise for their teacher with cake, laughter, and memorable moments, reflecting the strong bond within the classroom.

Upcoming Events

Learn & Earn

University Visits

Richmond Institute will be visiting Aspire College and Superior College later this month to explore collaboration opportunities and strengthen academic linkages.

Exciting Career Opportunities Await

Richmond Institute is pleased to welcome Ms. Qurat ul Ain as the new Professional Placement Officer, leading upcoming recruitment and placement initiatives. This step aims to connect students and professionals with paid internships, career-track opportunities, and valuable industry exposure.

Eid Celebrations Around The Corner :

With Eid just around the corner, everyone at the institute is excited for the celebrations and festive vibes. But more than anything, the staff is eagerly waiting for the Eid holidays announcement.
